QCI DELIVERS UNMATCHED QUALITY THROUGH...

VALUE

Attention to detail makes the difference. Each soil sample, measurement, laser level, slope, gradient and angle of your slab is the key to the quality and longevity of your investment.

- Exceptional materials including superior concrete mix design, highest grade fencing, and the latest state of the art lighting and surfacing systems
- Signature tournament quality accessories, featuring a complete line of exclusive QCI products, nets, net posts, windscreens, hitting walls, and more
- Technically advanced surfacing systems designed, engineered and expertly constructed
- Vibrant surface coatings in a variety of colors designed to provide unparalleled durability

EXPERIENCE

- Premium tennis court construction and surfacing at the highest level of competition since 1999

SERVICE

- Complete, turnkey sports construction entailing on-site assessment, design/build, budget planning, and comprehensive project coordination
- Custom tennis court construction based on our expert assessment of site conditions
- Stamped engineered drawings to provide optimal structural integrity for your slab based on your site conditions
- Unequaled service before, during, and after your project

ABOVE & BELOW OUR SURFACES

QCI TOP COAT

When your existing court needs to be revitalized and given new life, our Top-Coat service is the product for you. We'll do simple repairs, touch-ups, repaint and re-stripe to make your court look and play like new.

QCI CLASSIC

The QCI Classic Tennis Court System is used when you need a true tennis surface or resurfacing job including patchwork, acrylic surfacing for existing or brand new courts. Perfect for schools, colleges, and all hard-courts.

QCI PREMIER

The Premier system is our entry level soft-court cushioned system. We use a liquid acrylic cushion to provide a slight "give" to the surface, making play easier on joints. The feel of the court is exceptional and luxurious, making it a perfect fit for private tennis clubs and residential courts.

QCI SUPREME

For high-end use, there's nothing better than Supreme. It has the soft comfort of clay courts with out the sliding effect of clay. Perfect for private residential and elite tennis courts.

WE'VE GOT YOU COVERED!

Over 60 years combined experience in the industry having provided surfacing for over 1000 courts.

We exceed our customers' expectations with customized service, ensuring 100% satisfaction on time, every time.

We offer a comprehensive warranty including all materials and workmanship. Contact us for details.

PRACTICE WITH THE PROS

Professionals, League Players, Instructors, and Tennis Teams testify to the quality of our courts:

"THE best court I've ever played on! Can roll from one end to the other and NEVER feel an imperfection."

—Brady Labit; Former Wheelchair Tennis Professional

"People clamor to play on QCI's courts at Highland Road Park."

—Yvette Marshall (BREC Tennis)

QUALITY PLAY BEGINS WITH A QUALITY SURFACE.
